

# *United States Army Medical Department Activity Fort Carson, Colorado*

## *Our Mission*

To implement an integrated health care system that ensures a healthy and medically protected force, provide quality health care to all beneficiaries and provide fully educated, trained and deployable medical personnel

## *Our Vision*

To be the military healthcare system of choice for our community by providing professional, creative, proactive, and integrated care in a safe environment

## *Our Values*

Loyalty	...	to the MEDDAC, the Army, our beneficiaries
Duty	...	working hard each day to meet our mission
Respect	...	for one another and those we serve
Selfless Service	...	putting our patients and others before ourselves
Honor	...	living up to all the Army values
Integrity	...	knowing and doing what is right
Personal courage	...	to lead and accept change in uncertain times
