

Evans Army Community Hospital

2009 Influenza Nurse Advice Hotline

A new telephone service will offer TRICARE beneficiaries the ability to speak to a registered nurse about Influenza-Like-Illnesses including seasonal flu and the H1N1/Swine flu.

Starting 22 October 2009, beneficiaries can call (719) 52NURSE or 526-8773 between 7:30 a.m. and 10 p.m., seven-days per week, to ask flu-related questions and obtain helpful information about self-care, treatment, and vaccinations.

For most current vaccine information, please call the flu shot hotline at 719-526-6422.
