

TRICARE ONLINE FAQs

Q1. What is the purpose of TRICARE Online and why should I use it?

A1. TOL is a web-based system that allows TRICARE beneficiaries to make medical appointments on-line, anytime, 24/7. It also provides a variety of other helpful medical information and services. Using it will increase your and your family's access to care.

Q2. I don't have an internet capable computer at home, how do I use TOL?

A2. Once you've registered for TOL and request the DS Logon and have your password, you can access TOL from any internet capable computer whether at work, a friend's house or a public library.

Q3. Does this mean I won't be able to call and make appointments anymore?

A3. You may still call the appointment line (526-2273) but you must do so during their business hours.

Q4. I'm having trouble using TOL, who do I call for assistance?

A4. Call the TOL Help Desk at 1-800-600-9332 and for the DS Logon (DMDC) Help Desk at 1-800-477-8227.

Q5. What appointments may I schedule online?

A5. Primary Care appointments with your Primary Care Manager or PCM team may be scheduled online. Self-referral appointments, including Well Woman and Annual Eye Exams, may also be scheduled online.

Q6. What are the advantages of scheduling appointments online versus calling the appointment line?

A6. There are several advantages to scheduling online:

1. You may go online at any time which is convenient for you, 24 hours a day, 7 days a week.
2. You may see ALL available appointments online and select the one which best fits your schedule.
3. You have the first opportunity to schedule those same day appointments before the telephone line even opens up for business.
4. You will not be put on hold.
5. Blue Button – Access personal health data; View, download and print your laboratory results, outpatient medication profile, allergy profile, problem list, and encounter data
 - Appointment Center – Schedule, view, set reminders, and cancel primary care and select self-referral specialty appointments for you and your family
 - Prescription (Rx) Refill – Request Rx refills for MTF pick up, check status of Rx, or link to the TRICARE Mail Order Pharmacy to schedule home delivery
 - Health Risk Assessments (HRA) – Submit your HRA online
 - Secure Messaging- Communicate directly with your Provider and Care Team
 - TRICARE Information- Access to TRICARE benefits information and services at www.tricare.mil
 - Health Education – Access to health care information and services

6. Department of Defense Self-Service Logon (DS Logon) Eligible beneficiaries may request a DS Logon at TRICARE Service Centers (TSC)

7. Update your User Profile

- * Transfer your account to another MTF
- * Change your Password
- * Update your personal information

How do I access TOL health care information and

1
